

Partial List of Successful DUI Cases

At the Law Offices of Top Gun DUI Defense Attorney® Myles L. Berman, our extensive record of success in defending people for driving under the influence of alcohol and / or drugs speaks for itself. Below is a partial list of cases from across Southern California in which our DUI lawyers have been successful. The results posted on this page do not guarantee the success or outcome of your case. Every DUI case is unique and the results may vary from case to case. By posting successful cases below, we do not intend to give the impression that we achieve a dismissal, “not guilty verdicts” or that the DUI charges are not filed in most of the DUI cases we handle.
